### **Orangeburg Attorney Shane M. Burroughs Selected By 2017 South Carolina Super Lawyers**

Lanier & Burroughs announces that Shane M. Burroughs has been recognized by South Carolina Super Lawyers for 2017. Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. The selection process includes independent research, peer nominations, and peer evaluations. Each year, Super Lawyers creates a diverse listing of outstanding attorneys to be honored as Super Lawyers for their professional achievements. Only five percent of lawyers in South Carolina are named as Super Lawyers.

“Shane is well deserving of this recognition by Super Lawyers,” said firm co-founder, Lewis C. Lanier. “He has thoughtfully and passionately represented the people of Orangeburg and all across South Carolina for nearly 15 years, resulting in millions of dollars in recoveries.”

Shane typically handles cases involving tractor-trailer accidents, motor vehicle collisions, vehicle rollovers, product liability, automotive defects, traumatic brain injury, wrongful death, premises liability, medical malpractice, nursing home negligence, pharmaceutical/drug liability, personal injury, workers’ compensation, insurance bad faith, and class action litigation. He has received the highest possible rating for both legal and ethical standards by Martindale-Hubbell.

Shane is active in multiple professional organizations and has served on the Board of Governors and Executive Committee of the South Carolina Association of Justice. He and his wife Angela are active members of the Orangeburg community, and are members of First Presbyterian Church. They have four children.

The objective of Super Lawyers is to create a credible, comprehensive, and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel. Super Lawyers can be found online at [www.superlawyers.com](http://www.superlawyers.com), where lawyers can be searched by name, practice area, and location.
